

Application No. 09/719,907
Supplemental Amendment dated July 11, 2003

REMARKS

Applicants respectfully submit this Supplemental Amendment to correct an inadvertent error made to the amendments made to claim 1 in the previously filed Amendment dated April 17, 2003. The revised amended claim 1 herein provided conforms the amendments made in the April 17, 2003 Amendment to the amendments made in the Preliminary Amendment.

Applicants submit that these amendments do not constitute new matter and have full support in the specification as filed.

Applicant has made a diligent effort to place this application in condition for immediate allowance and notice to this effect is earnestly solicited. The Examiner is respectfully requested to reconsider the application at an early date with a view towards issuing a favorable action thereon. If upon the review of the application, the Examiner is unable to issue an immediate notice of allowance, he is respectfully requested to telephone the undersigned attorney at the number listed below with a view towards resolving the outstanding issues.

Early and favorable action is respectfully requested.
